SEATING is LIMITED to 12 for **Level I** so as to provide close supervision of dry needling. If we reach the limit, we can schedule an additional program. The **Level II** programs have more flexibility because of improved skill with the needle.

Please wear some form of loose clothing for needle accessibility to body parts during lab. For those who might be a bit squeamish about the needle reach out to an acupuncturist or dry needler and have a sample. It is a very palatable procedure, meant not to induce but to relieve pain.

Tuition includes: 20 CEU's from NUHS; Dry needling Certification/certificate; Endless supply of needles at the program and a **FREE Stater Kit** for Monday morning practice which includes a sharp bin and various size needles. Also please bring a copy of your state license and a copy of malpractice Insurance to the program. Again, if you have any questions or queries please do not hesitate to call Dr. Merrick at 603.494.8317.

Thank you again for choosing ON-Point Dry Needling.
